CORRIGENDUM

Depot Buprenorphine Injection in the Management of Opioid Use Disorder: From Development to Implementation [Corrigendum]

Ling W, Shoptaw S, Goodman-Meza D. *Subst Abuse Rehabil*. 2019;10:69–78.

The authors of this paper have advised that Table 1 is incorrect. The authors advised that they had listed values for Cmax and Ctrough after a single dose of Brixadi (CAM2038) and not steady state, as it was provided for Sublocade. The new Table 1 reflects the Brixadi steady state concentrations for a more direct comparison with Sublocade.

The correct Table 1 is as follows:
