In Table 2 on page 2070, the values of modified Medical Research Council dyspnea scale (mMRC) in the CI group: 4 (3-4) and in the No CI group: 3 (2-4) should read CI group: 3 (2-3) and No CI group: 2 (1-3).

The changes above have no impact on the results of the study.

The authors apologize for these errors.

Publish your work in this journal

The International Journal of COPD is an international, peer-reviewed journal of therapeutics and pharmacology focusing on concise rapid reporting of clinical studies and reviews in COPD. Special focus is given to the pathophysiological processes underlying the disease, intervention programs, patient focused education, and self management protocols. This journal is indexed on PubMed Central, MedLine and CAS. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
