

The Protective Role of Social Inclusion: Loneliness as a Mediator Between Excessive Internet Use and Depressive Symptoms in Adolescents [Corrigendum]

Zhou J, Zhu N, Suwada K, Toikko T. *Psychol Res Behav Manag*. 2025;18:1701–1715.

The authors have advised that the funding statement on page 1713 is incorrect. The text “This study is funded by the European Union [grant number 293210002416]. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the REA (European Research Executive Agency). Neither the European Union nor the granting authority can be held responsible for them” should read “This study is funded by the European Union’s programme [grant No. 101081327]”.

The authors apologize for this error.

Publish your work in this journal

Psychology Research and Behavior Management is an international, peer-reviewed, open access journal focusing on the science of psychology and its application in behavior management to develop improved outcomes in the clinical, educational, sports and business arenas.
