

Nasal high-flow in acute hypercapnic exacerbation of COPD [Corrigendum]

Bräunlich J, Wirtz H. *Int J Chron Obstruct Pulmon Dis*. 2018;13:3895–3897.

The authors apologize as they accidentally neglected to

include an acknowledgment in the letter. The missing acknowledgment is as follows: The authors thank Torsten Gerriet Blum for their help with data analysis and revision of the letter.

Publish your work in this journal

The International Journal of COPD is an international, peer-reviewed journal of therapeutics and pharmacology focusing on concise rapid reporting of clinical studies and reviews in COPD. Special focus is given to the pathophysiological processes underlying the disease, intervention programs, patient focused education, and self management

protocols. This journal is indexed on PubMed Central, MedLine and CAS. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
