

Comprehensive Bibliometric Analysis of Research Articles on Post-Herpetic Neuralgia and Varicella-Zoster Virus: A 20-Year Review (2003–2022) [Corrigendum]

Zhang H, Zhao Y. *J Pain Res.* 2023;16:4267—4279.

The authors have advised that the funding statement on page 4277 is incorrect. The text “(SKJP220212109)” should read “(202210025)”.

The authors apologize for this error.

Publish your work in this journal

The Journal of Pain Research is an international, peer reviewed, open access, online journal that welcomes laboratory and clinical findings in the fields of pain research and the prevention and management of pain. Original research, reviews, symposium reports, hypothesis formation and commentaries are all considered for publication. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
