Comparison of predictive efficacy of AJCC and BCLC staging systems in training set and validation set (C-index and time-dependent AUC)

A-B : C-index of AJCC in training set and validation set ;

C-D : C-index of BCLC in training set and validation set ;

E-F : 1-, 2-, 3-year time-dependent ROC (corresponding AUC) of AJCC in training set and validation set ;

G-H : The 1-, 2-, and 3-year time-dependent ROC (corresponding AUC) of BCLC in the training set and validation set.
