

Vaccines and drugs against *Neospora caninum*, an important apicomplexan causing abortion in cattle and other farm animals [Corrigendum]

Hemphill A, Müller J. *Reports in Parasitology*. 2015;4:31–41.

On page 34, Table 1, entry for reference 68 in the Results column:

“Immune responses depend on formulation, no protection” should read: “Protection independent of immune formulations”

We apologize for this mistake.
