

## Children with autism spectrum disorders and selective mutism [Corrigendum]

Steffenburg H, Steffenburg S, Gillberg C, Billstedt E. *Neuropsychiatr Dis Treat*. 2018;14:1163–1169.

- Page 1, Abstract, Results section: “SM was more common among girls (boy:girl ratio=2.7:1)” should be “SM was more common among girls (girl:boy ratio=2.7:1)”.

The authors have identified errors in their paper

- Page 1, the title of the paper should be “Autism spectrum disorder in children with selective mutism”.

### Publish your work in this journal

Neuropsychiatric Disease and Treatment is an international, peer-reviewed journal of clinical therapeutics and pharmacology focusing on concise rapid reporting of clinical or pre-clinical studies on a range of neuropsychiatric and neurological disorders. This journal is indexed on PubMed Central, the ‘PsycINFO’ database and CAS,

and is the official journal of The International Neuropsychiatric Association (INA). The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
