

## Usefulness of Exercise for Home Blood Pressure Control in People with Diabetes: A Study Protocol for a Crossover Randomized Controlled Trial [Corrigendum]

Iwai K, Ushigome E, Yokota I, et al. *Diabetes Metab Syndr Obes.* 2020;13:4747–4753.

The authors have advised there was an error in the Institutional Review Board's protocol version number. The correct protocol version number should read from R000040969 to ERB-C-1463-2.

On page 4747, Abstract, Trial Registration section, the text "Protocol version number: R000040969. Registration date: February 22, 2019. Recruitment began: June 19, 2019" should read "Protocol version number: ERB-C-1463-2. Registration date: February 22, 2019. Recruitment began: June 19, 2019".

On page 4751, Ethics Approval and Informed Consent section, third sentence, the text "Protocol modifications will be approved by the medical research ethics committee of the Hospital of the Kyoto Prefectural University of Medicine (protocol reference number: R000040969)" should read "Protocol modifications will be approved by the medical research ethics committee of the Hospital of the Kyoto Prefectural University of Medicine (protocol reference number: ERB-C-1463-2)".

The authors wish to apologize for the error.

### Publish your work in this journal

Diabetes, Metabolic Syndrome and Obesity: Targets and Therapy is an international, peer-reviewed open-access journal committed to the rapid publication of the latest laboratory and clinical findings in the fields of diabetes, metabolic syndrome and obesity research. Original research, review, case reports, hypothesis formation, expert opinion and commentaries are all considered for publication. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
