

Effect of Kaempferol on Tacrolimus-Induced Nephrotoxicity and Calcineurin BI Expression Level in Animal Model [Corrigendum]

Ali AS, Almalki AS, Alharthy BT. *J Exp Pharmacol*. 2020;12:397–407.

The authors have advised that the Acknowledgments statement on page 405 is incorrect. The text “The authors acknowledge the Deanship of Scientific Research, King Abdulaziz University, Saudi Arabia, for funding this project (Grant number 20476/1439 H). We gratefully acknowledge Dr. Huda Mohammed Alkreathy for her significant assistance throughout our study and manuscript writing” should read “This project was funded by the Deanship of Scientific Research (DSR) at King Abdulaziz University, Jeddah, under Grant No. G-200-140-1440. The authors, therefore, acknowledge with thanks DSR for technical and financial support. We gratefully acknowledge prof. Huda Mohammed Alkreathy for her significant assistance throughout our study and manuscript writing”.

The authors apologize for this error.

Publish your work in this journal

The Journal of Experimental Pharmacology is an international, peer-reviewed, open access journal publishing original research, reports, reviews and commentaries on all areas of laboratory and experimental pharmacology. The manuscript management system is completely online and includes a very quick and fair peer-review system. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
