

Egyptian Society of Liver Cancer Recommendation Guidelines for the Management of Hepatocellular Carcinoma [Corrigendum]

Omar A, Kaseb A, Elbaz T, et al. *J Hepatocell Carcinoma*. 2023;10:1547–1571.

The authors have advised affiliation 4 on page 1547 is incorrect. The correct affiliation should read “⁴Tropical Medicine Department, Faculty of Medicine, Alexandria University, Alexandria, Egypt”.

The authors apologize for this error.

Publish your work in this journal

The Journal of Hepatocellular Carcinoma is an international, peer-reviewed, open access journal that offers a platform for the dissemination and study of clinical, translational and basic research findings in this rapidly developing field. Development in areas including, but not limited to, epidemiology, vaccination, hepatitis therapy, pathology and molecular tumor classification and prognostication are all considered for publication. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
