

## Age and Gender, but Not Pain are Associated with Pressure Pain Thresholds in Patients with Temporomandibular Disorders: A Cross-Sectional Study [Corrigendum]

Zheng Y, Zhu R, Xiao C, et al. *J Pain Res.* 2023;16:2205–2216.

The authors have advised that they neglected to include a funding statement on page 2215 of the published paper. The funding statement should read as follows.

### Funding

This work was supported by the Technology Innovation Project of Science and Technology Bureau of Chengdu (2022-YF05-01691-SN) and Clinical Research Project of West China Hospital of Stomatology, Sichuan University (LCYJ-2023-YY-2).

The authors apologize for this error.

### Publish your work in this journal

The Journal of Pain Research is an international, peer reviewed, open access, online journal that welcomes laboratory and clinical findings in the fields of pain research and the prevention and management of pain. Original research, reviews, symposium reports, hypothesis formation and commentaries are all considered for publication. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
