

Appendix 2: Mentimeter Questions Relating to Enjoyment / Engagement of the Different Tutorials.

Note: These questions will be asked **via mentimeter** immediately after the knowledge attainment questions have been asked.

These next questions relate to the Online Teaching you have received. As part of the research trial, we are asking participants how engaging and enjoyable they found each mode of online teaching.

The results of this questionnaire will help us to ascertain better how successful, or otherwise, each form of online teaching was. If you do not wish to provide feedback, please leave these answers blank.

Thank you.

Our definition of engagement (from Merriam-Webster Dictionary): The ability to hold one's attention.

Our definition of enjoyment (from Merriam-Webster Dictionary): To have a good time.
