

**Huss et al. 'Guanfacine extended release for children and adolescents with attention-deficit/hyperactivity disorder: efficacy following prior methylphenidate treatment' [ID 94158]:
List of Independent Ethics Committees (IECs) or Institutional or Review Boards (IRBs)**

The names of the central ethics committees for each of the countries participating in studies 503-315 and 503-316 are listed; for countries where no central ethics committee was in place, all individual ethics committees are given.
