Erratum

Levine T. Treating refractory dermatomyositis or polymyositis with adrenocorticotrophic hormone gel: a retrospective case series. *Drug Des Devel Ther.* 2012;6:133–139.

The journal should have included the submitted complete disclosure statement in the published article. The correct text is as follows:

Acknowledgments

The author would like to thank Lynanne McGuire, PhD, of MedVal Scientific Information Services, LLC, for providing medical writing and editorial assistance. This manuscript was prepared according to the International Society for Medical Publication Professionals' Good Publication Practice for Communicating Company-Sponsored Medical Research: The GPP2 Guidelines.

Disclosure

Dr Levine is a consultant for Questcor Pharmaceuticals, Inc. Funding to support the preparation of this manuscript was provided by Questcor Pharmaceuticals, Inc.

Publish your work in this journal

Drug Design, Development and Therapy is an international, peer-reviewed open-access journal that spans the spectrum of drug design and development through to clinical applications. Clinical outcomes, patient safety, and programs for the development and effective, safe, and sustained use of medicines are a feature of the journal, which

has also been accepted for indexing on PubMed Central. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
