Zolav[®]: a new antibiotic for the treatment of acne [Corrigendum]

Dinant A, Boulos RA. *Drug Des Devel Ther.* 2016;10:1235–1242.

All mentions of “Zolav” throughout this paper should read “Zolav (a p-carboethoxy-tristyrylbenzene derivative)”.

Publish your work in this journal

Drug Design, Development and Therapy is an international, peer-reviewed open-access journal that spans the spectrum of drug design and development through to clinical applications. Clinical outcomes, patient safety, and programs for the development and effective, safe, and sustained use of medicines are a feature of the journal, which

has also been accepted for indexing on PubMed Central. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
