Association between patients' beliefs and oral antidiabetic medication adherence in a Chinese type 2 diabetic population [Corrigendum]

Wu P, Liu N. *Patient Prefer Adherence*. 2016;10:1161–1167.

On page 1163, Table 1, the copyright statement “Use of the MMAS-8 is protected by US copyright laws. A license agreement to use the scale is available from: Donald E. Morisky, ScD, ScM, MSPH, Professor, Department of Community Health Sciences, UCLA School of Public Health, 650 Charles E. Young Drive South, Los Angeles, CA 90095-1772, dmorisky@gmail.com” was not included in the Note section.

On page 1166, Acknowledgment section, the acknowledgment was “The authors thank the staff at the Department of Endocrinology, the First People's Hospital of Changzhou, for their assistance and cooperation with the studies. We thank Doctor Honghong Yao, Department of Pharmacology, Medical School of Southeast University, Nanjing, Jiangsu, People's Republic of China, for her assistance.” however it should have been “The authors thank the staff at the Department of Endocrinology, the First People's Hospital of Changzhou, for their assistance and cooperation with the studies. We thank Doctor Honghong Yao, Department of Pharmacology, Medical School of Southeast University, Nanjing, Jiangsu, People's Republic of China, for her assistance. The authors thank Professor Donald E. Morisky, Department of Community Health Sciences, UCLA Fielding School of Public Health, Los Angeles, United States, for granting them to use the copyrighted MMAS-8.

Professor Donald E. Morisky has worked his entire career in developing the very important instrument for medication-taking behavior measure. Permission to use the MMAS scales is required.^{33–35} Reproduction and distribution of the MMAS is protected by US copyright laws. A license agreement to use the scale is available from: Donald E. Morisky, ScD, ScM, MSPH, Professor, Department of Community Health Sciences, UCLA School of Public Health, 650 Charles E. Young Drive South, Los Angeles, CA 90095-1772, dmorisky@gmail.com.”
