

## Comparative analysis of budesonide/formoterol and fluticasone/salmeterol combinations in COPD patients: findings from a real-world analysis in an Italian setting [Corrigendum]

Perrone V, Sangiorgi D, Buda S, Degli Esposti L. *Int J Chron Obstruct Pulmon Dis*. 2016;11:2749–2755.

On page 2749, Patients and methods section, line 5, “between January 1, 2009 and December 31, 2011 (inclusion period)” should have read “between January 1, 2010 and December 31, 2011 (inclusion period)”.

On page 2750, Cohort definition section, line 4, “between January 1, 2011 and December 31, 2011 (inclusion period)” should have read “between January 1, 2010 and December 31, 2011 (inclusion period)”.

### International Journal of COPD

Dovepress

#### Publish your work in this journal

The International Journal of COPD is an international, peer-reviewed journal of therapeutics and pharmacology focusing on concise rapid reporting of clinical studies and reviews in COPD. Special focus is given to the pathophysiological processes underlying the disease, intervention programs, patient focused education, and self management protocols.

This journal is indexed on PubMed Central, MedLine and CAS. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
