The impact of ABCB1 (rs1045642 and rs4148738) and CES1 (rs2244613) gene polymorphisms on dabigatran equilibrium peak concentration in patients after total knee arthroplasty [Corrigendum]

In this paper, the CC genotypes of CES1 (rs2244613) were misrepresented as AA genotypes. For the correct interpretation of the results of this research study, the “AA genotypes” should be corrected to “CC genotypes”. CES1 (rs2244613) genotypes were interpreted incorrectly due to misleading instruction in the RT-PCR commercial kit. Accordingly, in this paper “AA homozygous” should be replaced by “CC homozygous”.
