The impact of dual bronchodilation on cardiovascular serious adverse events and mortality in COPD: a quantitative synthesis [Corrigendum]

Page 3481, right column, last paragraph, line 3, the text “(formoterol and indacaterol)” should read “(formoterol and indacaterol)”.

International Journal of COPD

Publish your work in this journal

The International Journal of COPD is an international, peer-reviewed journal of therapeutics and pharmacology focusing on concise rapid reporting of clinical studies and reviews in COPD. Special focus is given to the pathophysiological processes underlying the disease, intervention programs, patient focused education, and self management protocols.
