Ferulic acid attenuates liver fibrosis and hepatic stellate cell activation via inhibition of TGF- β /Smad signaling pathway [Corrigendum]

Mu M, Zuo S, Wu RM, et al. *Drug Des Devel Ther*. 2018;12:4107–4115. This should instead be replaced by:

An error has been found in a couple of the image labels for Figure 3F. On page 4112, the original Figure 3F image appears as:

Publish your work in this journal

Drug Design, Development and Therapy is an international, peer-reviewed open-access journal that spans the spectrum of drug design and development through to clinical applications. Clinical outcomes, patient safety, and programs for the development and effective, safe, and sustained use of medicines are a feature of the journal, which has also

been accepted for indexing on PubMed Central. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.

Submit your manuscript here: <https://www.dovepress.com/drug-design-development-and-therapy-journal>
