CORRIGENDUM

The synthesis and application of nano doxorubicin-indocyanine green matrix metalloproteinase-responsive hydrogel in chemophototherapy for head and neck squamous cell carcinoma [Corrigendum]

Errors were found in several images for Figure 5F, 5G, 6A and 6B. The authors have advised that mistakes were made during the process of organizing the images. A lot of images were captured following immunostaining and due to the similarity of these images, several of the same images were incorrectly selected.

The authors and the editor have confirmed that the correction of the images has no significant impact on the conclusions of the study.

The authors wish to apologise for this error.

The correct artwork for each of these figures is provided below:
