

CORRIGENDUM

Glucagon-Like Peptide-I Exerts Anti-Inflammatory Effects On Mouse Colon Smooth Muscle Cells Through The Cyclic Adenosine Monophosphate/Nuclear Factor- κ B Pathway In Vitro [Corrigendum]

Al-Dwairi A, Alqudah TE, Al-Shboul O, Alqudah M, Mustafa AG, Alfaqih MA. *J Inflamm Res*. 2018;11:95–109.

Ayman G Mustafa has advised that by error he omitted one of the affiliations that he was associated with when he conducted this study. The correct author and affiliations list should appear as follows:

Ahmed Al-Dwairi,¹ Tamara E Alqudah,¹ Othman Al-Shboul,¹ Mohammad Alqudah,¹ Ayman G Mustafa,^{2,3} Mahmoud A Alfaqih¹

¹Department of Physiology and Biochemistry, Faculty of Medicine, Jordan University of Science and Technology, Irbid, Jordan; ²Department of Anatomy, Faculty of Medicine, Jordan University of Science and Technology, Irbid, Jordan; ³Department of Basic Medical Sciences, College of Medicine, Qatar University, Doha, Qatar

Publish your work in this journal

The Journal of Inflammation Research is an international, peer-reviewed open-access journal that welcomes laboratory and clinical findings on the molecular basis, cell biology and pharmacology of inflammation including original research, reviews, symposium reports, hypothesis formation and commentaries on: acute/chronic inflammation; mediators of inflammation; cellular processes; molecular

mechanisms; pharmacology and novel anti-inflammatory drugs; clinical conditions involving inflammation. The manuscript management system is completely online and includes a very quick and fair peer-review system. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.

Submit your manuscript here: <https://www.dovepress.com/journal-of-inflammation-research-journal>
