Effect of Ultrasound-Guided Peripheral Nerve Blocks of the Abdominal Wall on Pain Relief After Laparoscopic Cholecystectomy [Corrigendum]

On page 1434, "The infusions of remifentanil and propofol were continued at 0.1-0.5 μg·kg⁻¹·h⁻¹ and 3-12 μg·kg⁻¹·h⁻¹" should be "The infusions of remifentanil and propofol were continued at 0.1-0.5 μg·kg⁻¹·min⁻¹ and 3-12 mg·kg⁻¹·h⁻¹, respectively".

On page 1436, Table 1, 1st column, "Time to unassisted walking (h)" should be "Time to unassisted walking (min)".

Following a review of our data post-publication, we found the incorrect unit of measure was used for Table 1. This correction has no impact on the findings of the study. The authors apologize for this error.
