Stanniocalcin 2 (STC2) Expression Promotes Post-Radiation Survival, Migration and Invasion of Nasopharyngeal Carcinoma Cells [Corrigendum]

He H, Qie S, Guo Q, et al. *Cancer Manag Res.* 2019;11:6411–6424.

On page 6421, [Figure 7C](#). It was brought to the authors attention that a control micrograph was inadvertently placed into the experimental group in [Figure 7](#)

panel C during figure preparation. The authors have re-checked the original records and data analysis process and determined that the general conclusion of the study was not affected by this error. The authors apologize for this error.
