## CORRIGENDUM

# Daily Consumption of the Collagen Supplement Pure Gold Collagen<sup>®</sup> Reduces Visible Signs of Aging [Corrigendum]

Borumand M, Sibilla S. *Clin Interv Aging*. 2014;9:174 7–1758.

The authors noticed a mistake in their paper which was overlooked during the revision process of the paper.

On page 1749, 3<sup>rd</sup> line of paragraph 15 of the introduction, the sentence "... hydrolyzed collagen type I obtained from the cartilage of fish ..." should read "... hydrolyzed collagen type I obtained from fish skin ...".

Publish your work in this journal

Clinical Interventions in Aging is an international, peer-reviewed journal focusing on evidence-based reports on the value or lack thereof of treatments intended to prevent or delay the onset of maladaptive correlates of aging in human beings. This journal is indexed on PubMed Central, MedLine, CAS, Scopus and the Elsevier Bibliographic databases. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit http://www.dovepress.com/testimonials.php to read real quotes from published authors.
