Daily Intake of *Kaempferia parviflora* Extract Decreases Abdominal Fat in Overweight and Preobese Subjects: A Randomized, Double-Blind, Placebo-Controlled Clinical Study [Corrigendum]

The authors have advised that there is an error in the note section of Table 5 on page 454. The text in the Notes “Values are presented as mean±SD” should read “Data are expressed as mean±SD for values or mean±SE for delta”.

The authors apologize for this error.
