Activation of Cholinergic Anti-Inflammatory Pathway in Peripheral Immune Cells Involved in Therapeutic Actions of α-Mangostin on Collagen-Induced Arthritis in Rats [Corrigendum]

The authors have advised the representative images for histological examination of the CIA and MG groups in Figure 1B, page 1987, are identical.

The correct Figure 1 is shown below. The authors apologize for this error.

Figure 1 Continued.
Figure 1 Therapeutic effects of MG on CIA rats. (A) Arthritis index changes in rats; (B) histological examination of joint and spleen; (C) histopathological scores of joint and spleen. Data are presented as mean ± SD (n=6). *P<0.05 and **P<0.01 compared with CIA rats.
