CORRIGENDUM

miR-140-3p Suppresses Cell Growth and Induces Apoptosis in Colorectal Cancer by Targeting PD-L1 [Corrigendum]

Jiang W, Li T, Wang J, et al. *Onco Targets Ther.* 2019;12:10275–10285.

The authors have advised that the Acknowledgement on page 10,284 is incorrect. The text "This study was supported by the Primary Research & Development Plan of Jiangsu Province grant (NO. BE2016799) and the Research Innovation Program for Graduates of Jiangsu Province grant (KYCX18-14)" should read "This study was supported by the Primary Research & Development Plan of Jiangsu Province grant (NO. BE2016799) and the Research Innovation Program for Graduates of Jiangsu Province grant. (KYCX18-1493)".

The authors apologize for this error.

OncoTargets and Therapy

Dovepress

Publish your work in this journal

OncoTargets and Therapy is an international, peer-reviewed, open access journal focusing on the pathological basis of all cancers, potential targets for therapy and treatment protocols employed to improve the management of cancer patients. The journal also focuses on the impact of management programs and new therapeutic

agents and protocols on patient perspectives such as quality of life, adherence and satisfaction. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit http://www.dovepress.com/ testimonials.php to read real quotes from published authors.
