CORRIGENDUM

Marked Reduction in 28-Day Mortality Among Elderly Patients with Severe Community-Acquired Pneumonia: Post Hoc Analysis of a Large Randomized Controlled Trial [Corrigendum]

Liu Y, Zhang C, Li C, Bai C, Shang H. *Clin Interv Aging*. 2020;15:2109–2115.

Page 2111, Results, third paragraph, second sentence, the text “Elderly patients with XBJ had a significantly inferior overall survival to those with placebo” should read “Elderly patients with placebo had a significantly inferior overall survival to those with XBJ”.

Page 2114, Figure 1 caption, the text “elderly group: patients with XBJ had a significantly inferior overall survival to those who with placebo” should read “elderly group: patients with placebo had a significantly inferior overall survival to those with XBJ”.

The authors apologize for these errors and advise they do not change the scientific conclusions of the article in any way.

Publish your work in this journal

Clinical Interventions in Aging is an international, peer-reviewed journal focusing on evidence-based reports on the value or lack thereof of treatments intended to prevent or delay the onset of maladaptive correlates of aging in human beings. This journal is indexed on PubMed Central, MedLine, CAS, Scopus and the Elsevier

Bibliographic databases. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
