

CORRIGENDUM

Breast Cancer Screening Practice and Associated Factors Among Women Aged 20–70 Years in Urban Settings of SNNPR, Ethiopia [Corrigendum]

Assefa AA, Abera G, Geta M. *Breast Cancer (Dove Med Press)*. 2021;13:9–19.

The authors have advised that the funding statement on page 18 is incorrect. The text “The study was funded by Hawassa College of Health Sciences. The funders had no role in study design, data collection, and analysis, decision to publish, or preparation of the manuscript. All these activities were accomplished through the determination of investigators as part of research service of the college. We would also like to inform you that we did not have a grant number” should read “The study was funded by

Hawassa College of Health Sciences. The research and community services directorate of Hawassa Health Sciences College, was involved in the thorough monitoring of the project work. The funders had no role in study design, data collection, and analysis, decision to publish, or preparation of the manuscript. All these activities were accomplished through the determination of investigators as part of research service of the college. We would also like to inform you that we did not have a grant number”.

The authors apologize for this error.

Breast Cancer: Targets and Therapy

Dovepress

Publish your work in this journal

Breast Cancer - Targets and Therapy is an international, peer-reviewed open access journal focusing on breast cancer research, identification of therapeutic targets and the optimal use of preventative and integrated treatment interventions to achieve improved outcomes, enhanced survival and quality of life for the cancer patient.

The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.

Submit your manuscript here: <https://www.dovepress.com/breast-cancer—targets-and-therapy-journal>
