

EXPRESSION OF CONCERN

XanoMatrix Surfaces as Scaffolds for Mesenchymal Stem Cell Culture and Growth [Expression of Concern]

Bhardwaj G, Webster T. *Int J Nanomedicine*. 2016;11:2655–2661.

International Journal of Nanomedicine would like to alert readers of this while we continue with our investigation.

The Editor and Publisher of *International Journal of Nanomedicine* wish to issue an Expression of Concern for the published article.

The authors have been contacted and were informed of these concerns.

Concerns were raised regarding the alleged duplication of regions shown in images from Figure 1A and Figure 1B.
