LncRNA MIR205HG Drives Esophageal Squamous Cell Carcinoma Progression by Regulating miR-214/SOX4 Axis [Corrigendum]

The authors have advised Figures 3A and 3D on page 13102 are incorrect. Due to an error at the time of figure assembly the migration and invasion images for Figure 3A EC109 panel si-MIR205HG#3 and 3D EC109 panel si-MIR205HG#3 were duplicated. The authors did not pick this error up during the proof-reading stage of the publication. The correct Figure 3 is shown below.

The authors apologize for this error and advise that this does not affect the results of the paper.
