

The UCI EyeMobile Preschool Vision Screening Program: Refractive Error and Amblyopia Results from the 2019–2020 School Year [Corrigendum]

Hunter SC, He J, Han M, Suh DW. *Clin Ophthalmol*. 2022;16:4249–4425.

The authors have advised that the author list needs to be revised by adding two additional authors, Iliana Molina and Jennifer Espinoza, to the author list.

The updated author list should read from Stephen C Hunter, Jody He, Michael Han, Donny W Suh to Stephen C Hunter, Jody He, Michael Han, Iliana Molina, Jennifer Espinoza, Donny W Suh.

All authors including the added authors have agreed to this addition.

On page 4253, the Acknowledgments section, the paragraph should read from:

“The authors wish to thank Iliana Molina and Jennifer Espinoza for their dedication to the UCI EyeMobile for Children program and for their assistance in data processing. The authors also wish to thank Angele Nalbandian for her assistance with manuscript editing and preparation.

The abstract of this paper was presented at the 2022 Association for Research in Vision and Ophthalmology Annual Meeting as a poster presentation with interim findings. The poster’s abstract was published in the “2022 Abstract Issue” of Investigative Ophthalmology & Visual Science: <https://iovs.arvojournals.org/article.aspx?articleid=2779774>.”

to:

“The authors also wish to thank Angele Nalbandian for her assistance with manuscript editing and preparation.

The abstract of this paper was presented at the 2022 Association for Research in Vision and Ophthalmology Annual Meeting as a poster presentation with interim findings.
